

Main Street HALLOWEEN Candy Collection

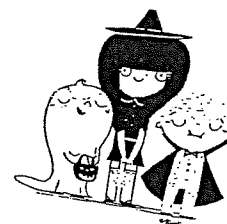

Every Halloween, the downtown section of Main Street in Ashby is blocked off, so the children of our town can Trick-or-Treat safely. The residents of these homes spend a significant amount of money purchasing candy to give out to children on this fun night. The Ashby Elementary School Parent/Teacher Cooperative is collecting donations of bagged candy to distribute to Main Street residents to help ease the cost for these families. We are collecting donations at the Ashby Elementary School and at the Ashby Free Public Library from now until Friday, October 27th.

Thank you for supporting one of Ashby's special traditions!
