

**"ABC FOLLOW ME"** is a child/parent participation playgroup featuring storytime combined with music and movement. This program is devoted to encouraging families to engage in fun, physical and creative activities together.

Children will have the opportunity to play, run, jump, throw, catch and socialize with their parents and peers in a playgroup environment. Each week a different theme will be introduced and the story with activity will support that theme.

About the Instructor: Bethanne McManus has an Early Childhood Education background, and lives in Ashburnham. She has 12 years of experience running Parent/Child playgroups throughout Lunenburg, Pepperell, Groton, and Townsend. She absolutely adores her time with the "littles" and has brought the love of reading and active play to hundreds of children over the years.
