

Hi Everyone!

Just to let you know, our Snow Day Extended Learning packets are in effect for any upcoming snow days! You will find the first packet of work in the back of your child's blue Home School Folder. The assignments are pretty straightforward and the students have up to a week after the snow day to hand them in. If you have any questions please let me know! Also, please make sure your child puts their name on EACH page just in case any get loose. If there is no snow day, none of that work has to be completed, just keep it in their folder to use if there is another snow day.

Draw & Write About a Penguin

by _____

In the box, draw a penguin.

A large, empty rectangular box with a thin black border, intended for the student to draw a penguin inside.

Write a story about a penguin.

Handwriting practice lines for the story. Each line set includes a solid top line, a dashed middle line, and a solid bottom line. A small penguin icon is positioned at the start of each solid top line.

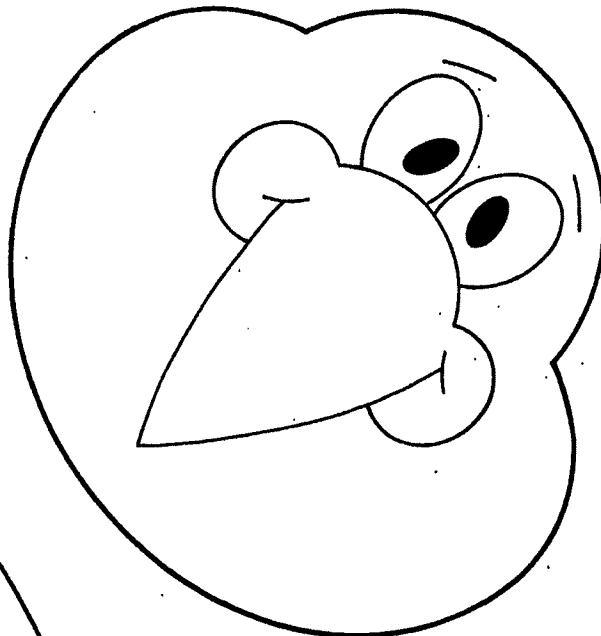

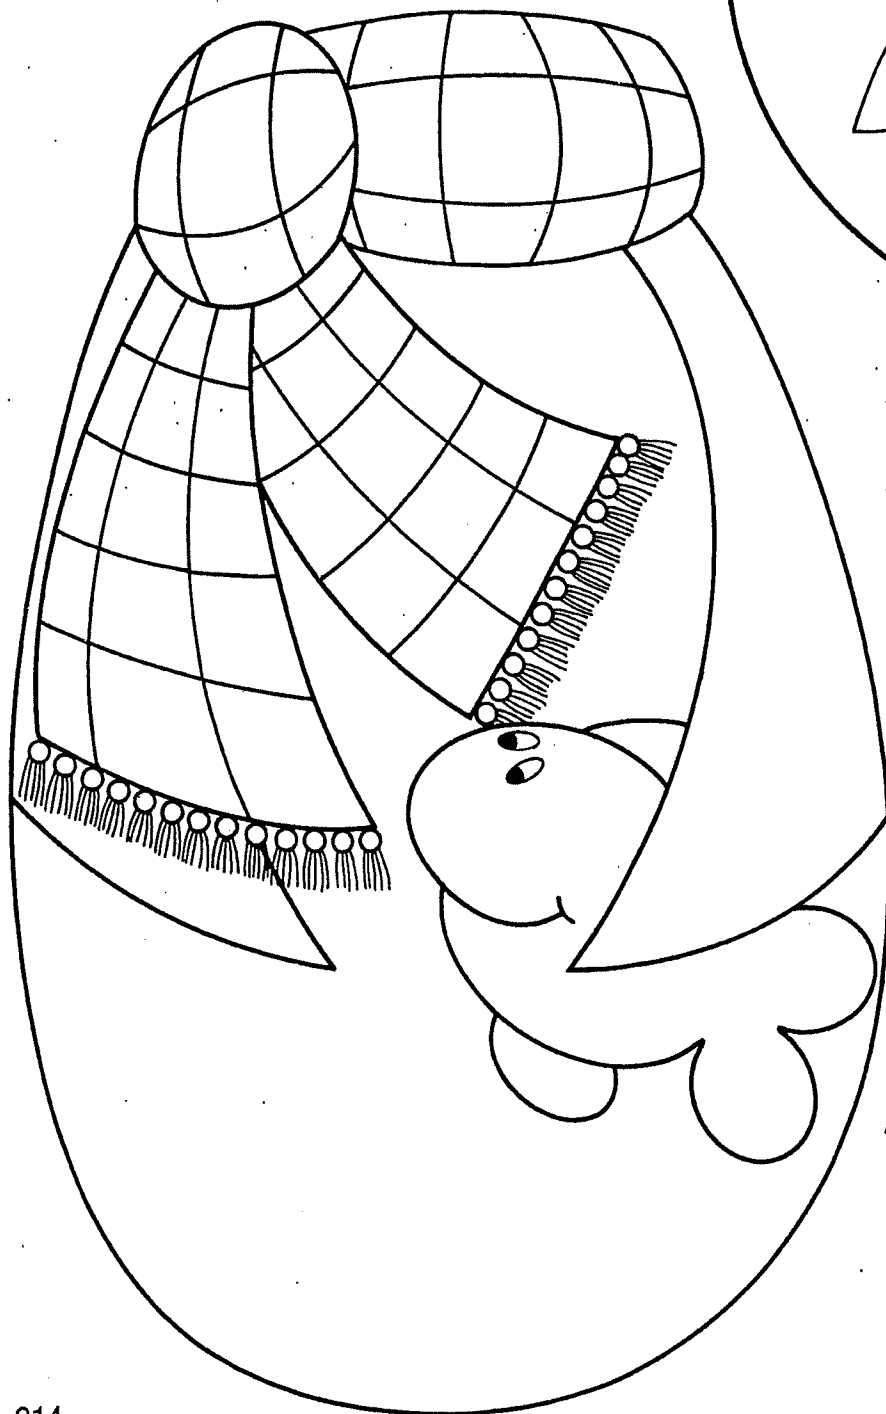

Handwriting practice sheet for the Chinese character '明' (míng). The page contains 15 rows of handwriting lines. Each row is composed of three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line. The character '明' is printed at the beginning of each row, with a small arrow indicating the starting point and direction of the first stroke (a vertical line from top to bottom). The character is also printed at the beginning of the second and third lines of each row, with arrows indicating the direction of the second and third strokes (a horizontal line from left to right across the top, and a vertical line from top to bottom on the right side).

Handwriting practice sheet with 12 sets of three horizontal lines (top solid, middle dashed, bottom solid). Each set begins with a small illustration of a person or object, followed by a blank space for writing.
